

## **Bunker Park Stable MEA Camp 2024**

Thank you for choosing Bunker Park Stable! Our day camps are a great way for young horse lovers to have a fun, safe introduction to horses and western riding.

Please read through the following ***Equestrian Day Camp Details and Requirements*** before you register.

- We strive to create a program that is suitable for most riders with a variety of learning styles, ages, and abilities. Riders come in with many different background experiences and different learning goals that they would like to achieve. Not everyone learns at the same pace, there will be times of struggle and we want riders to learn how to work through the struggles with the skills they learn.
- Each horse is an individual and presents its own challenges and learning opportunities.
- Camps are taught by qualified instructors to ensure campers receive a safe and educational experience.
- Campers are responsible for a horse or pony for the duration of their camp.
- Camps will include demonstrations, discussions, structured riding practices, and lots of hands on time with horses.
- Camps are designed as a group activity, students need to be able to complete tasks independently under the guidance of the instructors. Instructors need to divide their time equally between all the students to ensure everyone progresses and has a positive experience.
- Camps may not be appropriate for riders with special needs or limitations. Please call the office at 763-757-9445 prior to registering for camp to discuss your riders individual needs. If camps are not a suitable option, we will do our best to provide an alternative activity.
- Weight limit is 225 pounds.
- Attire: Long pants, closed-toe shoes (boots or tennis shoes) are required. Dress accordingly for the weather. Camp is held rain, snow or shine. In cold weather: close fitting hat (one without a pompom or ears), gloves, winter boots, winter jacket, snow pants as needed.
